

Environmental Policy Statement

It is the policy of Beattie Transport to consistently provide all products and services in accordance with the customer's specific requirements and relevant environmental legislation and regulations.

Beattie Transport policy is to ensure our employees and contractors are adequately trained, and made aware of any impacts their decisions and actions may have on the environment. Furthermore, the environmental policy shall extend to all site visitors and sub-contractors.

Beattie Transport will allocate sufficient resources to minimize and eliminate any negative impacts in carrying out its activities.

In Particular Beattie Transport is dedicated to:

- Reducing Waste.
- Maximising recycling.
- Designing our equipment and procedures in such a way that any impact on the environment is reduced.
- Identifying the need for corrective, preventative and improvement action and take such necessary actions.
- Understanding and complying with the clients environmental management systems, policies and procedures and seek clarification of unclear instructions, plans and procedures.
- Delivering Service Excellence (DSE)
- Other requirements of ISO 14001 Clause 4.2
- Continuous improvement
